Breaking The Cycle of Unwanted Litters: My Pet Promise

Columbia, SC 29209

In five years, intake at the Columbia Animal Shelter has decreased by 31%. Euthanasia has decreased by 51%. Those are great accomplishments, but over the next year 8,000 more animals will still enter the shelter. At least half of those will return to current owners, get adopted to new owners or go to rescue groups who will adopt them elsewhere. For the other half, the future is still uncertain.

How We Do It

But there is an answer – adoption, donation, spay/neuter. Our ultimate goal is to become a no-kill community and for the last eight years, The Animal Mission, a nonprofit organization dedicated to improving the lives of dogs and cats in the Midlands, has offered coupons for free and discounted spay/neuter operations in all of Richland County. And it’s paying off, but we have more to do.

How You Can Help

You can help us break the cycle by taking the My Pet Promise pledge. By pledging a small amount of money for each pet that leaves the shelter, whether through adoption, return of a lost pet or a pet being transferred to another adoption agency, you can help fund The Animal Mission’s spay/neuter program. Spay/neuter is the key to long term success.

My Pet Promise

For each pet that leaves the shelter, I pledge: \$.01 \$.05 \$.10 \$.25

I prefer to be billed quarterly via:

US Mail

Credit Card: Visa or Mastercard (Other cards not accepted.)

I agree to pay my pledge each quarter.
